I am more than happy to use anything you want in the newsletter, as it is **YOUR** newsletter. If you want to continue to have an informative newsletter, I need material from the membership. **From the Webmaster:** Please submit items for web page. Include pictures of all our members. Please send names of driver, passengers, horse(s), and description of what you are doing, and where.

**Prez' message:** Well, I just made the decision to scratch the Notara HDT at

Mary Ruth Marks' July 4<sup>th</sup>. It was a tough decision – I really enjoyed competing there last year and it's the only recognized driving trial within two hours of us – but it just wasn't in my horse's best interest. Not only did he colic AGAIN causing me to put him on a new "test" diet, I've not been able to condition him for a 5 kilometer marathon over hilly terrain because of all the rain we've been having. I know, some of you are probably pooh-pooh'ing me "suck it up buttercup," but this horse just earned me my USDF Bronze Medal, which is two scores 60% or better at First Level, Second Level, and Third Level.

It took us ten long years to accomplish this feat, so clearly I'm in it for the long haul. See you at Notara in 2016!

Yours Truly, **Dr. Lydia Gray**

## ASK WHINNY

This is an opportunity for all members, but especially novice drivers, to get input and advice from other members. Each month we will be posting an anonymous question raised by a Hub Club member and asking you, the membership to respond from the deep and vast store of your driving knowledge and experience. So let's go.

We're going to leave the question of driving

vehicle for a while, though I know there is a lot more to be said on that topic, and turn to the question of:

### **WHAT MAKES FOR A GOOD DRIVING HORSE AND HOW WILL I KNOW ONE WHEN I SEE ONE?**

Sure, a carriage horse needs a relatively calm temperament but what else? Why are Haflingers and Morgans such popular driving horses around here? Why don't we see more quarter horses in harness? Or Standardbreds or Hackneys? Do you look for the same characteristics in a driving horse as you do in a saddle horse? Can any horse be taught to drive?

Please share your best—and worst—experiences with finding or making a great driving horse by emailing them to me at [nancykbaker@yahoo.co.m](mailto:nancykbaker@yahoo.co.m) Thanks for your input!

## MEMBER NEWS: Rain

cancelled the first show we were going to go to this year, so our first show was the multi-breed USEF rated Prairie State Classic, June 5-7, 2015 at Ledges.

Al drove Angel to his antique Village cart and James Gruenberg (showing a carriage horse for the first time) drove Lark....I was busy getting them ready for Turnout and hitching, so no pictures. There was one of Jamie and Lark from Bob Klein. Al won Turnout & Reinsmanship, thus clinching the Championship, while Jamie & Lark deservedly won the Working class.

I got to drive my three year old gelding, Cosmo. This was his first performance show. We won the junior horse Classic pleasure and the Championship. He was also Reserve Champion Gelding.

James Harry Arkebauer, age 72, of Dodgeville, lost his battle against pancreatic cancer on Friday, May 29, 2015. Rest in peace, Jim. Our thoughts and prayers are with you and your family Karen Rockin Jk.

**Columbus Carriage Classic:** We survived our first show of the season & the start of Riley's show days! I couldn't be more proud of her & her hard work with Miss Lilly. She placed in every class & had a great time! Nana even kept her mouth shut during cones. :0) Matt & I can now add the titles "Horse Show Mom" & "Horse Show Dad" to our list. [Miranda Schuenke](#)

This is the new link to the updated Hub Club Library – out on Dropbox. For those unfamiliar, Dropbox is a free computer app. that allows files to be shared on the internet. Anyone clicking on this link will get the excel spreadsheet with the most updated library on it. This new link to a dropbox HUB Club folder, contains the library spreadsheet but also a number of ADS forms, event packing lists, scans of the articles that were copied as pages in the library, etc. I don't know if we plan to put the articles onto the website or the packing list or other forms. CDE entry form, cones scoring forms, etc.

Anything else anyone things should go into this folder and we can share with members and they can read the heavier articles direct from the link without having to save or download to print.

I would like to remind everyone that we now have a mail out and back program. If you want to check something out from the library you contact Leslye Sandberg [lsandberg@permatron.com](mailto:lsandberg@permatron.com) and include your mailing address. The item will be mailed to you. We ask that you return the item in a timely manner in the preaddressed envelope that will come with it. You will have to pay the return postage. In upcoming issues I will be showcasing some of the new additions. And again I ask for your suggestions for items to add to the library. Note that any horsey movies or videos you have that you no longer want or need, can be donated to the library as well.
