**From the Editor** As your editor, I ask that you send me photos and anything else that you would like to see in the newsletter. I am more than happy to use anything you want in the newsletter, as it is **YOUR newsletter**. If you want to continue to have an informative newsletter, I need material from the membership. **From the Webmaster:** Please submit items for web page. Include pictures of all our members. Please send names of driver, passengers, horse(s), and description of what you are doing, and where.

**PREZ Message:** I'm writing this from the lobby of the Marriott Crabtree Valley in Raleigh, NC. Tomorrow I fly back to Chicago and have coordinated with the 20-something that has been riding Newman since my rotator cuff surgery last fall to drive my horse, only the 4th time in 2018. However, I just looked at the forecast and the ground might be too wet from a recent storm, sigh.

Between all the rain we've had and the fact that pulling my carriage from the garage to the pasture by myself is off-limits for the next year or so while I heal, I'm getting pretty frustrated about not being able to drive as much as I'd like. **So if there's anybody reading this that wouldn't mind coming to my barn in Maple Park, IL and helping me get Newman hitched, I'd sure appreciate it!** (Maybe it's time for the HUB Club to regroup about establishing a mentor program . . . )

Yours Truly, **Dr. Lydia Gray**

# HUB Club Meeting Minutes

April 7, 2018

Sluiter's Farm - Freeport

## Call to Order

President Lydia Gray called the meeting to order at 1:05 PM on 4/07/2018

Present: Mary Thompson, Lydia Gray, Cindy Noble, Carolyn and Larry Sluiter, Craig and Rose Grant, Don and Judy Hayes, Rosalee Taylor, Linda Fidler, Ann McComb, Sherry DeWulf (guest), Chuck and Carol Kranz, Beverly Horsley, Bob Mikos, Mike and Kelly Chuman, Cathy Brock, Grace Frejlach-Grubb, Tammy Carlo, Julie and Stephen Jones, Nancy Baker, Bryan and Steve Hollowell (guest)

## Secretary's Report

The minutes from January's meeting were printed in the February newsletter. Ann McComb moved that we accept the minutes as published. Carolyn Sluiter seconded the motion. Motion carried.

## Treasurer's Report

Tammy Carlo reported that as of January 2018 we had an opening balance of \$3,892.46 and our current balance is \$5,474.41.

## Committee Report

**Newsletter** – Kris Breyer asked everyone to please send stuff for her to put in the newsletters.

**Website** – Tammy Carlo reported that the website is up and available. We purchased a new membership platform. By 2019 you will be able to renew your membership on the website via PayPal. We will also send our email blasts via the website. It will track who has renewed and who has not and will send out reminder emails. This service costs us \$70 per year.

Membership Committee – Nancy Baker will follow up with the individual who still gets their newsletter by snail mail.

**ADS** – Lydia Gray discussed the new Dressage Award and what an awesome new addition it was to the ADS awards.

**Dairyland Driving Club Liaison** – Melissa Boyd Clinic May 5 and 6<sup>th</sup>.

BITS (Best of Iowa in Traces Society) – No Report

IWW (Indiana Whips and Wheels) – National Drive and Spring Fling will be held at the Hoosier Horse Park in Indiana this year.

**Sponsorships** – Instead of standard sponsorships we have sponsored vouchers for several shows and clinics. These were available to bid on at the Silent Auction.

Event Committee – Linda Fidler reported on the two recreational drives that she has set up this year. Any Kane Country Forrest Preserve that has horse trails allows carriage driving. Be mindful about where to park, follow the park rules, and stay on the trails. For more information go to the Kane County Forrest Preserve website and go to the Find a Preserve section. Kane County does not require permits. The first recreation drive is June 2 from 9 AM to 3PM at Muirhead Springs near Hampshire. Bring water for your horse. It is a potluck, so bring something to eat.

**ADT Plus** – Will be on August 11 with the clinic to follow on August 12. More information will be sent to the membership shortly.

**FVSA Day of Driving** – Fox Valley Saddle Association has their three driving shows on July 14, August 18, and October 6. Like last year they will have the driving derby in the morning, followed by a mini-pleasure show in the afternoon. This year they are adding an organizer's choice class that will be different each time. Email Mike Chuman at [FarmAwesomeMike@gmail.com](mailto:FarmAwesomeMike@gmail.com) for more information.

**Explore Carriage Driving!** Lydia talked about this event, and Linda found a few places where we could hold this. There is also a potential to rotate this event every other year with Dairyland. Sunday, November 4<sup>th</sup>.

## New Business

**Midwest Horse Fair** – If you go to the Midwest Horse Fair this year, please check out Andy Marcoux, FVSA, and Dairyland Driving club.

**Midwest Driving Resource** – We discussed updating our Midwest Driving Resource. This is a collection of businesses including local trainers who deal in driving needs. Please start collecting ideas of things to put in the resources. Ann McComb is looking up the previous resource.

## Next Meeting

Discussion was held about if we would prefer to have meetings attached to events or have meetings not attached to a meeting and have a speaker. Next meeting is June 2<sup>nd</sup> at Noon at the Recreational Drive in Muirhead FP's shelter.

## Adjournment

Beverly Horsley moved that we adjourn the meeting. Chuck Kranz seconded. Motion carried. The meeting was adjourned at 2:23 PM.

Respectfully Submitted,  
Kelly Chuman  
HUB Club Secretary

## Secretary's Report

Kelly Chuman read the April Meeting Minutes. Linda Fidler moved that we accept the minutes as read. Krista Ziec seconded the motion. Motion carried.

## Treasurer's Report

Tammy Carlo reported that as of April 2018 we had an opening balance of \$3,892.46 and our current balance is \$5,474.41.

## Committee Report

**Newsletter** – no report, Linda Fidler is going to send her two articles, Kelly will send National Drive's Spring Fling stuff.

**Website** – none

**Membership Committee** – none

**ADS** – none

**Dairyland Driving Club Liaison** – none

**BITS (Best of Iowa in Traces Society)** – No Report

**IWW (Indiana Whips and Wheels)** – Kelly Chuman reported on IWW's June and July events. In June they are having a member's play event at the Hoosier Horse Park to include a driving derby, plenty of time to enjoy their trails and a games day. In July they are holding their annual clinic. Also, the National Drive will be at the Hoosier Horse Park this year. The Spring Fling was a lot of fun, so go join them this fall.

**Event Committee** – Linda Fidler reported Spring Drive in the park went smashingly. Thank you for the people who came and participated or volunteered. Fall Drive will be at Corren Farm. They requested at we volunteer to do an exhibition on Sept 22 for them in lieu of charging us their standard fee for this event. Please contact Linda if you can help with this exhibition.

**ADT Plus** – The August 12 clinic portion filled at the meeting, but there is a waitlist available. There are plenty of openings still for the August 11<sup>th</sup> ADT. Please contact Kelly Chuman at [FarmAwesomeKelly@gmail.com](mailto:FarmAwesomeKelly@gmail.com) if you are interested.

**FVSA Day of Driving** – Fox Valley Saddle Association has their three driving shows on July 14, August 18, and October 6. Like last year they will have the driving derby in the morning, followed by a mini-pleasure show in the afternoon. This year they are adding an organizer's choice class that will be different each time. Email Mike Chuman at [FarmAwesomeMike@gmail.com](mailto:FarmAwesomeMike@gmail.com) for more information.

**Explore Carriage Driving!** Will be held on Saturday, November 17<sup>th</sup> at Camp Tomo Chichi (Hampshire, IL). Topics include: Conditioning the Driving Horse – Dr Jennifer Thompson, Turnout for Drivers – Grace Freilach-Grubb, Trail Driving and Trail Etiquette and Distance Driving – Linda Fidler & Tony Troyer, Selecting and Set-up a trailer – Kelly Chuman and Tammy Carlo, Harness Selection and Fitting – TBD, Carriage Care Selection and Fitting – TBD, Different Driving Disciplines & Driving Organizations – TBD. \$50 pre-registers and gets meals. \$60 for late entries and are not guaranteed food.

## New Business

**Hickory Knoll CDE 2018** has been canceled; John indicated in his email that went out that he might do a CT at the same time.

**Notara HDT** – Tammy Carlo is volunteering if you plan to volunteer and would like to carpool let her know.

## Next Meeting

Discussion was held about when to have the next meeting. The next meeting will be in October. Watch the newsletter for more information.

## Adjournment

Linda moved that we adjourn the meeting. Grace F-G seconded. Motion carried. The meeting was adjourned at 1:16 PM.

Respectfully Submitted,

# Spring Drive

MUIRHEAD SPRINGS FOREST PRESERVE 2018

## FIRST RECREATIONAL SPRING DRIVE

HUB Club Spring Recreational Drive was held at Muirhead Springs Forest Preserve on June 2. The weather cooperated as it was only overcast most of the day with temperatures between the high 60's and low 70's, near perfect weather conditions for a cart drive.

*Grace Frolich-Grubb and Rhianna*

Muirhead Springs forest preserve in Kane County encompasses 797 acres of farmland returned to prairie. At one time this forest preserve was two farms, the Norris farm makes up the far east side and the Muirhead farm the west.

This forest preserve has two trails the Grand Prairie Trail and the East Cut-

over Trail. Both trails are limestone screenings. Using the two trails participants were given four different drive patterns: 4.09KM (2.54M) Short trail; 5.39KM (3.35M) Medium-Short trail; 6.20KM (3.85M) Medium trail; and a 7.14KM (4.44M) Long trail. The longest distance drive incorporated both Grand Prairie and East Cut-over trails, while the medium trail used the Grand Prairie Trail only.

Throughout the course lettered posts marking strategic locations to aid the navigators in determining the horse's performance in meeting the target times. Detailed maps with distance guides were provided to each team. This was not an official marathon since there wasn't a vet check before and after the drive.

All participants were at training level for the marathon. Two horses and one pony participated. Tammy Carlo entered her Morgan horse Hershey in the long trail marathon (7.14KM) along with Linda Fidler and her warmblood the

horse Northern Lights Reign. Krista Ziec chose the medium trail (6.2KM) marathon for her POA pony Lily. Grace Frolich-Grubb brought her very small Shetland pony Rhianna for a short walk as this was the pony's first time out this year and first time at Muirhead Springs.

Our volunteers at this year's event were Bob Mikos in charge of parking and directing traffic, Sue Payne working as the time keeper, Mary Thompson the starter and running the video camera and our spotters Bev Bauer and Evelyn Hickey. Armed with walkie talkies, the volunteers took to their assignments and were ready for the first driver.

Linda Fidler with Lydia Gray as her navigator are the first to be harnessed and at the start "box". Start time was 10:16:57. Taking the Grand Prairie trail in clockwise direction, Reign moved slowly down the first hill and past the first spotter. This team would drive the Long Trail (7.14 KM), Reign was determined to enjoy the view and smell the flowers!

Volunteers (left to right) Mary Thompson, Bev Bauer, Evelyn Hickey and Sue Payne discuss their responsibilities.

About 13 minutes later, Krista and Filip had Lily at the starter box and moved on out to drive the Medium Trail (6.2KM) at 10:29:30. Krista was determined to have Lily meet the target of 27 minutes and 37 seconds. Lily was determined to meet that goal as she moved on too fast for the first spotter Evelyn to get a photo!

Hershey was harnessed and ready to go at 10:44:12. Tammy and Chris made sure they were all ready to go since this is Chris's first year as navigator. Tammy has Hershey driving the

long trail (7.14M) also determined to make their target of 29 minutes and 36 seconds. This time the spotter Evelyn was ready to take a photo as the team trotted down the hill

In general, the drive along the trail was clockwise except for those on the Long Trail. To get the distance the team had to take the East Cut-over Trail and move counter-clockwise on the Grand Prairie Trail until they got back to the East Cut-over Trail head and continue in a clockwise direction.

Reign's team was moving counter-clockwise on the Grand Prairie Trail as Lily's team competing on the Medium marathon trail was driving clockwise. Linda Fidler commented, "Wow that Lily is fast, makes Reign look pretty slow!" they passed each other with no incident, however Reign decided to pick up her trot with a lot more enthusiasm. The two teams would see each other near the intersection of the two trails.

were filled with early spring flowers. Besides the usual dandelions, there were purple spider's wart everywhere along with flowering clover, wild daisies, milk weed and a variety of other flowering plants indigenous to the Illinois prairies.

*Linda Fidler and Lydia Gray driving Reign through the Long Trail Marathon*

In the meantime, Hershey's team was coming too, so Reign's team needed to get a move on! Hershey had a nice steady trot going on and since Reign left the start box 27 minutes before Hershey, it didn't look like Reign was going to meet the target of 29 minutes and 36 seconds. Her strategy was to not return in a sweat!

The second spotter Bev radioed to the starters that Lily's team was on their way. Mary got the video of Lily appearing over the last hill, still moving quickly as Sue Payne wrote down the finish time of 10:58:31. Krista was pleased with marathon time of 29 minutes and 1 second, only

24 seconds over the allowed time of 28 minutes 37 seconds (target was 1 minute less).

About 2 minutes later, Reign was spotted by Bev and the volunteer team were ready. Reign clocked in at 11:11:21. Reign trotted most of the way up the hill but that last stretch to the finish was at a casual walk as she was anticipating a reward of fresh grass to eat. Team Reign completed the 7.14 KM marathon in just under an hour, 54 minutes and 24 seconds, (only 23 minutes and 38 seconds over the allowed time). Lydia and Linda remarked, "We enjoyed the drive, the flowers were beautiful!"

No sooner had Reign's team got back to their trailer, team Hershey would come in strong. Sue Payne timed them out at 11:12:55. Tammy drove Hershey in 28 seconds and 43 seconds, only 7 seconds off the target of 28 minutes and 36 seconds!

After getting the horses and ponies settled it was time for lunch and the third HUB Club meeting at the shelter. Of course, the wind did pick-up and it cooled off more while we all sat under the open shelter, but the food brought for pot luck was good and there was plenty of deserts!

The marathon was fun and challenging, but if you came for just a recreational drive and not to compete there was plenty around to feast your senses. Even though there was a late Spring this year, the meadows

Besides the flowers and numerous grass types (Reign's favorite treats at the forest preserves), there can be heard and often seen various species of birds. Muirhead Springs is a favorite spot for bird watchers. The meadows are filled with

with meadow larks, red-wing blackbirds, Orioles, red tailed hawks, pheasants, swallows, killdeer, the occasional group of wild turkeys and even turkey vultures flying overhead (so look alive!).

Take the time out and just come for a pleasant drive at Muirhead Springs. More details about this forest preserve can be found on the Kane County Forest Preserve Website.

Kane County also has other forest preserves that are excellent for day drives. Check it out!

## Upcoming Event: Fall Recreational Drive

*Tammy Carlo driving her Morgan Hershey with Chris as the navigator.*

Whether you came and enjoyed a day of driving at the Spring Recreational drive or missed it, you will want to come to the next recreational drive. The Fall recreational drive will be September 29 at Corron Farms located on Corron Road in Campton Hills, Illinois. Please note we need to park our trailers and set up across the street at the Messner-Corron Forest Preserve. Please mark your calendars for a wonderful autumn drive through oak savannas, rolling hills and meadows.. This drive is more challenging!

*The HUB Club Presents*

## Patricia “Trish” Demers

for an “ADT *Plus*” Saturday, August 11 and clinic Sunday August 12, 2018  
at the Fox Valley Saddle Association in Hampshire, IL

---

*Patricia “Trish” Demers owns and operates Carpe Diem Farm in Prescott Valley, Arizona, the home of the “happy horse.” Trish is a trainer, clinician, judge, evaluator, instructor, course designer, and can appraise carriage, harness, and turnout. Working with beginning drivers (and riders) is her specialty, whether the discipline is combined driving, pleasure driving, or recreational driving, for show or for fun. In fact, she stresses SAFETY and FUN when she educates, and the farm motto is: “Try Hard, Win Humbly, Lose Gracefully.”*

*Trish works with everything from minis to drafts, equine to mules to donkeys, and singles, pairs, tandems, and more. Her philosophy in training is to incorporate natural horsemanship methods which make a horse look forward to willingly working and understanding his job with gentle, quiet obedience.*

---

--The clinic will be held at the Fox Valley Saddle Association, 44W300 Rohrson Rd., Hampshire, IL, which has an indoor arena, outdoor arena, and outdoor grass field for cones and obstacles, weather permitting.

--Saturday’s classes are \$60 and Sunday’s private clinic lessons are \$120, payable to The HUB Club. Refunds for cancellations will only be given if the slot can be filled.

--Participants may show and clinic out of their trailer for a daily haul-in fee of \$10 or out of a permanent stall for a daily stall fee of \$25. Bedding is not included and is NOT available for purchase on-site. Everyone is kindly asked to clean up after their horse when they leave whether hauling-in or using a stall.

--Lunch is included for paid clinic participants (and one groom) as well as paid auditors who sign up ahead of time.

--Anyone riding on a carriage must wear properly fastened protective headgear which meets or exceeds current ASTM/SEI standards for equestrian use.

-- A negative Coggins test dated within one year of the event is required. Out-of-state horses must present a Veterinary Health Certificate dated within 30 days of clinic.

The HUB Club is having a potluck dinner with Trish Saturday after the show where she will give a presentation - *Carriage Safety: Common Mistakes I Driving and What NOT to Do*. This event is open to all members and Sunday paid auditors.

### **For sale:**

Pony presentation vehicle that was used in the World Pairs. We are selling our presentation vehicle as we have replaced it with an antique that we can use for our four as well as our pair. The vehicle is suitable for 13 HH to 14-2 HH ponies. It also has single shafts and thus can be converted to a single. It has both single trees and roller bolts. Currently it has brass hardware, but we have a full set of stainless as well. Rear wheel stainless disk brakes, two side and one rear light can be included. We have used this for pleasure shows as well as CDEs. Condition is

very good. Many photos are available. **With three lamps, pole, shafts and all hardware \$5900. Without lights \$5450. John & Betsy Freiburger [frei@chorus.net](mailto:frei@chorus.net)**

### **Poj Kon M171 (Tiger) for**

**sale.** Suitable for horse, warm blood or smaller draft. I used it five years with Molly: 1660 pounds and 17HH. Since then it has been in storage in KY, occasionally being pulled by Frisians. Deb shipped it back to me to sell for her. It has two sets of wheels, Bosch brakes and quick change hubs and is in good general condition and comes with spare brake pads. It weighs 529 with the shafts on, so safe for a strong horse, but Molly could really run with it. **Great stability for going fast. \$4700**

### **For sale:**

We bought this vehicle new and used it much less than anticipated—maybe 10 outings. It has a pole and shafts. I'm not sure of the weight but have driven it single with the off horse, a Belgian thoroughbred cross. The brake is in

the center of the floor so it can be driven easily from either traditional or traffic position and it rolls quite freely. It's well sprung and rides quite comfortably over uneven ground as well as roads. Pictures don't show the color well—the frame and gear are all a beautiful shade of bottle or hunter green and the woodwork is light varnished wood. Its been used for a wedding supper, an HDT, a couple of Pleasure Driving classes and three club pleasure drives. I am asking \$2,600. Call me at 630-363-4619 with any questions. Grace

Frejlach-Grubb

## ***For sale:***

The gig is most suitable for a cob size horse/pony, however the horse shown in the picture is a 16.3 field hunter. It's royal blue with gold pinstripes and has natural oak wheels and shafts. The interior is black velvet and as comfortable as any loveseat. It has been used at Villa Louis, Iron Horse CDE as well as many pleasure drives and the Sharon WI lighted Christmas parade. I'm selling it for \$1800.

Call me at 630-363-4619 with any questions. Grace Frejlach-Grubb

## ***For sale:***

I have a Sierakowski horse marathon for sale or trade for a pony marathon of equal quality/features. Located in McHenry, IL. We will be at Midwest Horse Fair in Madison, WI with carriage April 19th-22nd for clinic. Let me know if you want to see it there and bring what you have! Looking to trade my horse Sierakowski marathon for a lighter medium/large pony size. The Sierakowski is 185kg without shafts/pole. Has 5th wheel, front and rear brakes.

Comes with pair of shafts, team pole adaptor and extra set of wheels. (Hard and pneumatic.) I am the second owner. Bought from gentleman inside, no wrecks. Some flaked paint/rust on shafts where the shafts rest on the dash. Chrome

who had it imported. Stored underside of carriage and on of dash unharmed.

### **Measurements:**

Telescoping shafts: 64"-82" (might be able to go longer, but I wanted to leave ample room for the bolts to grab)  
Height to top of single tree: 26"

Height to top of wedge seat: 67"

Trade for medium pony marathon of equal value or for sale for \$6,500 can deliver within reasonable distance.

Subject: Letter to the Editor for Next Wheel to Wheel?

Dear Kris:

Thank you, and whoever suggested it, for printing Andy Marcoux's "Blinders or Not" article in the April Wheel to Wheel. It could not have come at a better time for me. My otherwise wonderful horse has always been nervous about hitching in public places. Her nervousness resulted in her bolting while hitched at last year's Blackhawk Ridge DDC drive. After that, I felt that we were never going to be safe enough to participate in shows or group trail drives again.

Over the winter, I started to consider whether driving her in an open bridle might alleviate our problem because one of the contributing factors to her breakaway at Blackhawk Ridge was that she could hear but not see what was coming towards her from behind. Since she was initially trained to drive in an open bridle, I didn't think she would have any trouble adjusting. I only transitioned to a closed bridle in the first place because, at the first driving show we went to, the judge publicly ridiculed me for driving in an open bridle. Shame on him. So my plan was to hitch her in her riding bridle and test my hypothesis.

After reading Andy Marcoux's article, I decided more caution might be advised. I started casting about for a trainer but could think of no way to easily involve a trainer given our location, logistics, etc. So I decided to work through the steps suggested in the article myself. Fortunately for me, it only took two sessions of ground driving and one session of dragging the cart behind her--none of which fazed her--to give me the confidence to hitch and drive her in the open bridle. I discovered I could easily remove the blinkers on my driving bridle and replace them with open cheeks at a very nominal cost. So the two of us are now driving in an open bridle.

I have not yet tested whether this will improve hitching away from home but I am optimistic because she feels calmer. An unexpected benefit of driving with an open bridle is that I no longer worry about her running into things she can't see. If she ever again bolts without me, at least she will be able to see where she is going and be safer for it. Plus reducing my worry level, reduces hers.

So thank you for printing the article. It gave me helpful tips and the push to try an open bridle.

Sincerely, *Nancy Baker*

Nancy,

The decision to use the "Blinders or not" article was totally mine.....

Al and I train all of our horses in an open bridle at first.

Our first horse was petrified of a closed bridle. We had plain cheek pieces made for her over 30 years ago. She worked calmly in an open bridle.

We watched a friend and her Appaloosa be berated at an ADS show for not driving in blinkers.....I got the rules and had a heated discussion with both the judge and the TD over it.....The ADS DOES NOT require blinkers.....in fact, Artillery horses drive in open bridles with rattling cannons behind them.... Our friend was so rattled that she never showed at a driving show again. But, she continued to enjoy her lovely Appy as a pleasure driving horse for many years.

I am very glad that the article was of help..... **Kris Breyer**

Yay, I'm so happy for you Nancy, and so glad that The HUB Club (and our very fine newsletter editor, Kris) published such a helpful article.

I have been feeling like the Club could do more for its members and hearing feedback like this rejuvenates me!

I would strongly encourage you to sign up for the Trish Demers clinic on August 12th at Fox Valley as she is EXCELLENT

with situations just as you describe, wonderfully patient, understanding, and creative. A true horsewoman. *Lydia*
