HUB CLUB

From the Editor As your editor, I ask that you send me photos and anything else that you would like to see in the newsletter. I am more than happy to use anything you want in the newsletter, as it is **YOUR newsletter**. If you want to continue to have an informative newsletter, I need material from the membership. You can send them to me directly at briarpatcheast@aol.com by the 20th of each month. Kris Breyer

From the Webmaster: Please submit items for web page. Include pictures of all our members. Please send names of driver, passengers, horse(s), and description of what you are doing, and where.

Prez letter:

1. Flax seed
2. Purple shadow/aubergine
3. All three have unique benefits!

These are the answers to the questions I posed in the January issue, in case there wasn't enough to talk about during our annual meeting. However, things were kept lively with active discussions about events we want to sponsor as a club in 2017, which events WE want to host ourselves (and when), the state of the ADS, and don't forget about that fun little survey. Of course, the food was plentiful too, and guests and new members were a welcome addition.

Our next meeting is Friday, May 27th, at the HUB Club Annual Spring Clinic featuring Sterling Graburn and I hope to see as good a turnout there!

. Yours Truly, **Dr. Lydia Gray**

IT'S TIME TO RENEW YOUR DUES.

Please assist new Treasurer, Terri Delke by submitting your HUB Club dues asap. See last page of newsletter for information. If there are no changes in your personal information no need to fill out the form.

Just a check with HUB Club in the remarks.

This is the link to the Hub Club Library – out on Dropbox. For those unfamiliar, Dropbox is a free computer app. that allows files to be shared on the internet. Anyone clicking on this link will get the excel spreadsheet with the most updated library on it. This link to a dropbox HUB Club folder, contains the library spreadsheet but also a number of ADS forms, event packing lists, scans of the articles that were copied as pages in the library, etc. I don't know if we plan to put the articles onto the website or the packing list or other forms. CDE entry form, cones scoring forms, etc.

Anything else anyone things should go into this folder and we can share with members and they can read the heavier articles direct from the link without having to save or download to print. would like to remind everyone that we now have a mail out and back program.

If you want to check something out from the library you contact [Leslye Sandberg](mailto:leslyesandberg@gmail.com) leslyesandberg@gmail.com and include your mailing address. The item will be mailed to you. We ask that you return the item in a timely manner in the preaddressed envelope that will come with it. You will have to pay the return postage. In upcoming issues I will be showcasing some of the new additions. And again I ask for your suggestions for items to add to the library. Note that any horsey movies or videos you have that you no longer want or need, can be donated to the library as well.

2017 Distance Drives

For additional information and updates, such as exact location, camping info, event times, entry fees, etc., see ride flyer available at www.umecra.com. Negative Coggins required for all events. Please note all driving events are held in conjunction with endurance and competitive trail rides – riders will be on the trail.

No memberships are required to participate and all breeds of equine (including grade animals, mules, etc.) are welcome.

Animals must be **drug-free and at least 48 months of age** to participate. Helmets, whip, spares kit, and a **non-bicycle wheeled vehicle** are required. Singles may have a groom and pairs **must** have a groom.

You may enter one or more days at each ride. For days that have multiple distances listed, you choose which distance to enter.

The HUB Club Presents
Sterling Graburn
May 27 – 28, 2017

Sterling spent his early childhood competing in combined training, in part as a member of the Radnor Hunt Pony Club, adding combined driving in his teens. He owes his strong dressage foundation to his mother who was always a dressage trainer first and emphasized that dressage is training in the continuum.

A nationally recognized handler of sport horses, his true love is the sport of driving. He began his driving career in 1977, and entered his first combined driving event in 1979. His first international experience was in 1984 as navigator at the World Four-in-Hand Championships in Hungary. In 1993, he was navigator for Larry Poulin at Gladstone, NJ, for the World Pairs Championship. Sterling was also groom/navigator for Dr. Wendy Ying at the 2005 World Pony Championships at Catton Hall, England.

In 2006, Sterling competed as an individual at the World Singles Championships in Italy where he was fourth on the marathon and the highest overall placed American driver. He has thrice won the FEI Top Driver Award, North American Challenge, Single Horse Championship. In 2008 he won the USEF National Combined Driving Single Horse National Championship.

Sterling competes in both Pleasure and Combined Driving, with singles, pairs, tandems, unicorns, and four-in-hands.

--The clinic will be held at the Fox Valley Saddle Association, 44W300 Rohrson Rd., Hampshire, IL, which has an indoor arena, outdoor arena, and outdoor grass field for cones and obstacles, weather permitting.

--Individual lessons will be offered for \$125 each, payable to The HUB Club. Refunds for cancellations will only be given if the slot can be filled.

--Participants may clinic out of their trailer for a daily haul-in fee of \$15 or out of a permanent stall for a daily stall fee of \$25. Bedding is not included and is NOT available for purchase on-site. Everyone is kindly asked to clean up after their horse when they leave whether hauling-in or using a stall.

--Lunch is included for paid clinic participants (and one groom) as well as paid auditors Saturday and Sunday and will be available for purchase by others.

--All drivers, passengers, grooms, and navigators must wear properly fastened protective headgear which meets or exceeds current ASTM/SEI standards for equestrian use.

-- A negative Coggins test dated within one year of the event is required. Out-of-state horses must present a Veterinary Health Certificate dated within 30 days of clinic.

For sale:

Pony presentation vehicle that was used in the World Pairs. We are selling our presentation vehicle as we have replaced it with an antique that we can use for our four as well as our pair.

The vehicle is suitable for 13 HH to 14-2 HH ponies. It also has single shafts and thus can be converted to a single. It has both single trees and roller bolts.

Currently it has brass hardware, but we have a full set of stainless as well. Rear wheel stainless disk brakes, two side and one rear light

can be included. We have used this for pleasure shows as well as CDEs. Condition is very good. Many photos are available. **With three lamps, pole, shafts and all hardware \$5900. Without lights \$5450.**

John & Betsy Freiburger frei@chorus.net

For sale:

We bought this vehicle new and used it much less than anticipated—maybe 10 outings. It has a pole and shafts. I'm not sure of the weight but have driven it single with the off horse, a Belgian thoroughbred cross. The brake is in the center of the floor so it can be driven easily from either traditional or traffic position and it rolls quite freely.

It's well sprung and rides quite comfortably over uneven ground as well as roads. Pictures don't show the color well—the frame and gear are all a

beautiful shade of bottle or hunter green and the woodwork is light varnished wood.

Its been used for a wedding supper, an HDT, a couple of Pleasure Driving classes and three club pleasure drives. I am asking \$2,600. Call me at 630-363-4619 with any questions. Grace Frejlach-Grubb

For sale:

The gig is most suitable for a cob size horse/pony, however the horse shown in the picture is a 16.3 field hunter. It's royal blue with gold pinstripes and has natural oak wheels and shafts. The interior is black velvet and as comfortable as any

loveseat. It has been used at Villa Louis, Iron Horse CDE as well as many pleasure drives and the Sharon WI lighted Christmas parade. I'm selling it for \$1800.

Call me at 630-363-4619 with any questions. Grace Frejlach-Grubb

ASK WHINNEY

This is an opportunity for all members, but especially novice drivers, to get input and advice from other members. Each month we will be posting an anonymous question raised by a Hub Club member and asking you, the membership to respond from the deep and vast store of your driving knowledge and experience. So let's go!

QUESTION: "What can I use to clean brass on harness that does not have ammonia in it, since I am allergic to the fumes from ammonia".

ANSWER:

Ok, the answer to the question about cleaning brass is simple. Using Bar Keepers Friend take an old soft toothbrush and using a small amount of cleaner clean the brass fittings on the harness. By the time you get done putting this on the harness where you started should be dry, taking a soft clean cloth go back to your starting point and start rubbing the cleaner off. The more you rub the shinier it becomes. If you are afraid Bar Keepers Friend will leak during the traveling. Then take 1 cup of white vinegar, 1 teaspoon of salt combine this with just enough flour to make a paste. Again take your old soft toothbrush and spread this on the brass fittings of the harness. Let this set between 15 to 60 minutes (depending on how bad the brass has tarnished) Taking a damp soft cloth rinse the paste off and again rub to polish the brass. I make this and keep it in a small plastic bowl and being a paste it will not make a mess when packed in the trunk when traveling. Now if you get to the show and run out of the paste go the refreshment stand and ask for ketchup and clean the harness fittings as you would with the paste. Yes the ketchup works as there is acid from the tomatoes and salt has been added to the ketchup for the abrasive.

Hope this will help you out. **Beverly**

Possible Questions for next month that need answers:

1. Can horses get sunburned?
2. What are the good and bad points of feeding alfalfa hay to horses?
