From the Editor

As your editor, I ask that you send me photos and anything else that you would like to see in the newsletter. I am more than happy to use anything you want in the newsletter, as it is YOUR newsletter. If you want to continue to have an informative newsletter, I need material from the membership. You can send them to me directly at briarpatcheast@aol.com by the 20th of each month. Kris Breyer

From the Webmaster:

Please submit items for web page. Include pictures of all our members. Please send names of driver, passengers, horse(s), and description of what you are doing, and where.

Prez' message:

Newman is vaccinated, dewormed, floated, shod, and

massaged - Sara Schmitt clinic here we come! I still haven't decided if I'm riding, driving, or a combination of the two. It will probably come down to a coin toss the morning of.

Unfortunately, one of the clinic participants and long-time HUB Club member, Sandy Nowicki, suffered a carriage-related accident recently and had to withdraw as she

recuperates. Please keep her in your thoughts and prayers.

Her injuries reminded me not to take anything for granted, whether it's taking a lesson, competing in a show, or even my friends, family, and complete strangers. I don't know whether the atmospheric rise of social media is to blame or not, but I agree with many experts that common courtesy is on the decline. I see it everywhere, from "recline rage" on planes to cyber bullying of teenagers. So starting May 1, I challenge each of you to remember your "please" and "thank you's" in all settings: in person, over the phone, through the internet, etc and apply not the Golden Rule "do unto others as you would have them to unto you" but the Platinum Rule:

"Treat others the way they want to be treated." I'm sure no one wants to be snapped at, ignored, or humiliated on a public forum so let's all treat our fellow human beings with respect and kindness

Yours Truly, **Dr. Lydia Gray**

Member news:

Mon, 20 Apr 2015

My wife, Sandra Nowicki, will be unable to participate in the Sara Schmitt Clinic. On Saturday, April 18, while driving her horse, Sandra was thrown from her cart. She is the hospital recovering from fractures in her ribs, right arm, and face.

4/21/2015 Thanks for your thoughts regarding Sandra. She is at Froedtert Hospital in Milwaukee. She can be reached at 414-454-3366. She would be interested in talking horses. The staff at the hospital is learning more about horses than they ever wanted to know.

Sandra is making progress. The shoulder doctor decided that surgery was not needed now. This afternoon, she is having surgery to repair the bone under eye. A potential discharge date from the hospital is early next week. Drive safely. *Tom Nowicki* 414-271-0317

Dear All,

Karen & I took "Ruby" & "Ehiku" in the annual Merrie Monarch Parade in Hilo. We were part of the Hawaii Carriage Driving Society unit. We had 5 equine drawn vehicles in the parade. There was a big crowd on the sidewalks. It was a great day in Hilo ... no rain .. The girls did very well with all the excitement & noises.

John Fitzgerald

The **Merrie Monarch Festival** is a week-long cultural festival that takes place annually in [Hilo, Hawaii](#). It honors King [David Kalākaua](#), who was called the "Merrie Monarch" for his patronage of the arts and is credited with restoring many [Hawaiian](#) cultural traditions during his reign, including the [hula](#).

ASK WHINNEY

This month the New Member Committee launches its advice column, “Ask Whinny.” This is an opportunity for all members, but especially novice drivers, to get input and advice from other members. Each month we will be posting an anonymous question raised by a Hub Club member and asking you, the membership to respond from the deep and vast store of your driving knowledge and experience. So let’s go.

The question this month is: *What features should I look for in my first driving vehicle?*

Please respond to me at nancykbaker@yahoo.com by **June 15, 2015**. All questions and answers will remain anonymous—**unless** of course you want credit for your wisdom!

Interesting bridle set up.....

We saw this “over check/ side check” combo 40 years ago in Lancaster, Pa. When we asked the Amish driver why he had both on, the answer was “because it came with the harness’....and “everybody does”.

This one was seen in England. ~editor.
