From the Editor As your editor, I ask that you send me photos and anything else that you would like to see in the newsletter. I am more than happy to use anything you want in the newsletter, as it is **YOUR newsletter**. If you want to continue to have an informative newsletter, I need material from the membership. You can send them to me directly at briarpatcheast@aol.com by the 20th of each month. Kris Breyer

From the Webmaster: Please submit items for web page. Include pictures of all our members. Please send names of driver, passengers, horse(s), and description of what you are doing, and where.

PRES Message: Good news! Our wonderful judge and clinician Trish Demers has agreed to return May 18-19, 2019 for the Annual HUB Club Spring Clinic! Now, Fox Valley Saddle Association hasn't yet opened up next year's calendar for booking, but we are tentatively penciled in for that date so fingers crossed it all works out. As soon as that

happens (November-ish), expect sign-up forms to be in the newsletter and as always, first come, first served; you snooze, you lose, early bird gets the worm, and all that. **ALSO, IN NOVEMBER IS OUR "EXPLORE DRIVING" TALKS AND DEMOS ON SATURDAY THE 17TH. PLEASE LET ME KNOW IF YOU'RE PLANNING ON COMING SO I CAN START GETTING A HEAD COUNT.**

Yours Truly, **Dr Lydia Gray**

Dear Competitors,

You have probably heard that our club, Indiana Whips and Wheels, is taking the year off from putting on our fall CDE. But we have just announced that we are going to run a sanctioned, two day combined test (two separate competitions) on September 15-16th. We will also have the marathon course and obstacles available for schooling. I also understand that we will run a 'practice show' or schooling/ lesson event in August as preparation for those wanting to compete in September. I don't have any details yet on either of these other than they will take place at the Hoosier Horse Park. So save the dates and watch for entry information. Yours, Julie Oliver

This is the link to the Hub Club Library – out on Dropbox. For those unfamiliar, Dropbox is a free computer app. that allows files to be shared on the internet. This link to a Dropbox HUB Club folder, contains a number of ADS forms, event packing lists, scans of the articles that were copied as pages in the library, etc. I don't know if we plan to put the articles onto the website or the packing list or other forms. CDE entry form, cones scoring forms, etc.

Anything else anyone things should go into this folder and we can share with members and they can read the heavier articles direct from the link without having to save or download to print.

Interested in taking the Driver Proficiency Level 1? Are you going to The National Drive, October 2-7,

at the Hoosier Horse Park, Indiana? NOW is the time to let the organizers know! Please contact TheNationalDrive@gmail.com before July 15th so they can have time to arrange an evaluator. Need to know more about the Driver Proficiency? Contact the CAA or visit our website - <https://www.carriageassociationofamerica.com/driver-proficiency-program/>

1. Attend The National Drive and have a wonderful time with driving enthusiasts, enjoy an outing with your driving or riding equine, and take advantage of educational opportunities.

2. Take advantage of the opportunity to arrange for your Driver Proficiency evaluation at the same time!

The CAA Driver Proficiency Program is well worth your time and effort. It will provide you an excellent framework to be a better and safer driver. Even if you have been driving for years, there is always more to learn. Challenge yourself to take part in the Driver Proficiency Program!

Corron Farm

HUB Club's Fall Recreational Drive Sept. 29

Event Details

Come out and enjoy a drive in the "countryside" at Corron Farm in Campton Hills. The wide trails at Historic Corron Farm are a mix of some challenging terrain with moderate to steeper hills. You will wind through tall oak savannas, prairie lands full of fall flowers and grasses, and see the refurbished farm house, barn and other outbuildings. There are a variety of goats penned at the trail entrance, and they are very accustomed to all the comings and goings! Don't forget to bring a dish to pass for lunch.

You will be able to park your trailer and harness your equines at Meissner-Corron Forest Preserve parking lot across the street from Corron Farm starting at 9AM. The drive will start at 10AM and you can drive in the Corron Farm park until 3PM. Safety to be observed at all times. General map of the trails is on page 2. A full map with trail details (markings and distance) will be available at the drive.

Drive On!

A program for both competitive and non-competitive drivers

Who Can Join? The *Drive On!* program is open to anyone who drives their equine for pleasure.

You must be a HUB Club member. You must pay an individual lifetime recording fee of \$20 that provides you with an official log sheet to get started.

What Hours Count? Record the time you spend driving or training your equine(s) to drive.

Awards: As you accrue hours, special certificates, and gifts are awarded.

Certificates are given after logging 50, 75, 150, 300, 500, 750, 1000, 2000, 3000, and 5000 hours with your equine.

Guidelines:

1. Horses must be owned/ leased by the HUB Club member submitting points.
2. Drivers must be HUB Club members for each year hours are logged.
3. You must pay a one-time \$20 enrollment fee.
4. The equines names must be included on your log sheet.
5. Once you are registered in the program, there is no limit to the amount of time taken to achieve award hours.
6. More than one equine may be driven for overall hours.
- 7. The HUB Club prefers results on official club or ADS Hours to drive log sheets or easy to follow Excel forms submitted by December 1th of each year.**
8. Awards are based on hours logged.

HUB CLUB YEAR END HIGH POINT GENERAL GUIDELINES

To be eligible for these awards, horses must be owned/ leased by the HUB Club member making the entries. All riders or drivers of the horse(s) must be current HUB Club members. To be eligible for awards, the submitting member must have been in attendance at one HUB Club meeting during the **competition year**, which shall be from **December 1st to November 30th of each year**.

A nomination fee of \$10 per division (horse or exhibitor) must be paid before any points will be counted. Results must be submitted on the appropriate entry forms, along with appropriate documentations for each division, by **December 1st** of the competition year. Entry forms may be duplicated by the participants. The Hub Club will not accept event results from prior years or incomplete entry forms. A copy of the prize list or program from each show/ competition entered must be submitted with your competition entry. To ensure a level playing field for all participants, a show prize list must include: rules and class specifications, dates, times, names of judges/officials and show secretary name and contact information, fees (entry fees, late fees, stall fees, etc.) and prizes. Please attach each prize list to the entry sheet for that show. Results may be audited and proof of placings may be required. If there is a significant difference between the number of points reported by the owner and the results reported by the show secretary, the entry will not be accepted and the horse will not be eligible for the program the following year. All decisions by the HUB Club are final. All high point records are available to any HUB Club member upon request.

No year-end points will be awarded to any horse that does not meet the age requirements for competition as defined by the American Driving Society or the United States Equestrian Federation. Club or show year-end awards will not count.

The High Point System is broken into two divisions: Carriage Pleasure and Combined Driving.

A. Carriage Pleasure Shows

All driving classes in rated and unrated pleasure shows count towards the high point. Championship classes will count double. Shows using multiple judges/points will only count for one set of points. Exhibitors may use the highest placing for their points. Overall show championship awards that are based on an accumulation of points will receive 10 points for champion and 5 points for reserve champion if they are specific to a division. Table A is used to tally points in carriage pleasure shows.

Table A: Carriage Pleasure Driving

Placing	1st	2nd	3rd	4th	5 th	6 th	Participation
Points	7	6	5	4	3	2	1

B. Combined Driving Events

A carriage year-end award is presented at CDEs, ADTs, HDTs and combined tests where each phase (dressage, marathon, and timed obstacles) is considered a class, and the final placing is also counted as a class. For shows to be counted in the CDE division, the show prize list must designate the competition as a CDE, driving trial, arena trial, or driving test. Shows without this designation will be counted in the Carriage Pleasure division. An entry in this division shall be defined as a particular driver/ equine combination. Competitors receive points for each phase (dressage, cones, and marathon) and points are accrued in the overall placing of the event. Division Champions will be awarded 10 points and 5 points for Reserve Champion. Table B is used to tally points in Combined Driving Events.

Hi Kris -

I know you are always posting about needing stuff for the newsletters, so while I'm thinking about it, I'm sending along some pics from last Saturdays FVSA Day of Driving show (August 18th). Use them if you like, but I won't feel bad if you don't have room!

This was the first show at which I drove my 5-year-old German Riding Pony mare Sashay, and only her third show ever and first cones and cross country course. We had a blast and made several new friends. Hope to be back in October and really want to do the HUB Club HDT next year!

Regards, *Tiffany Amschl*

Sunday Drive

Recreational Driving in Kane County Forest Preserves

Back when I was a kid nearly every Sunday my Dad would take the family for a drive out in the country, which back then was anywhere outside of Cook County. Keep in mind back in the 60's the majority of stores were closed so traffic was very different than today. That Sunday drive was always refreshing, not only the clean air but the scenic views of farmland, unspoiled woods, rivers and creeks.

Today it is different with suburban sprawl and the loss of many farms in the collar counties and the added traffic everywhere, it makes it harder to take a nice pleasant drive in a horse driven carriage let alone an automobile. So where can you go for a pleasant and safe drive with your horse and cart?

Taking a leisurely drive in the forest preserve with a family member or friend is a great way to wind down from a stressful week or just time well spent

enjoying each other's company. Consider recreational driving in Kane County forest preserves. Kane County currently has 14 preserves open to equestrian use (this includes both horseback riding and driving). There is a variety of trail experiences and mileage afforded to the casual driver.

If you are new to the sport of recreational driving and want to get out of your arena or backlot, may want to start out with some short drives. Keep in mind that weekends are usually frequented by others enjoying the preserves by riding their bikes, running, hiking, walking their dogs and riding their horses, so if you want to avoid potentially more stimulus than you think you can handle, recommend trying to drive during the week instead for your first time out.

The following forest preserves in

Kane County open for equestrian use that also have designated horse trailer parking are: Burlington Prairie, Burnidge Forest Preserve & Paul Wolff, Campton, Dick Young, Fitchie Creek, Freeman Kame-Meagher, Hampshire, LeRoy Oakes, Muirhead Springs, and Pingree Grove, and Raceway Woods.

Big Rock, Bowes Creek Woods, Blackberry Maples and Raceway Woods forest preserves do not have separate designated trailer parking, but you can park in the standard lots, however be aware to not take up too many parking spaces. Be considerate of other preserve patrons.

If you want to take a longer stay with you equine and enjoy a few days of driving, there are equestrian campsites at both Big Rock and Burnidge. Check out the website for information

regarding amenities and rates (<http://www.kaneforest.com/findPreserve.aspx?Feature=9>).

Follow the rules and regulations as listed by the FPDKC.

Most horse trails are natural surface, mowed grass paths. Limestone screenings trails and asphalt bike trails are available in some of the preserves. These are multi-use trails shared with runners, bicyclists, dog walkers, etc. Horse riders/drivers are required to stay on designated, forest preserve maintained trails.

Trail riding is not allowed in restricted natural areas, Illinois Nature Preserves, picnic areas or in farmed areas. To prevent damage during wet weather, trails may be temporarily closed.

Note: Even if the other equestrian trails are closed, the limestone trails at preserves will remain open for riding, during preserve hours.

Sunday Drive Series—

Next month will feature the type of trail experience you can expect at the preserves, maps and links to more detail information.

A Driving Day with Demers by Lydia Gray

There are two kinds of people in this world: those that HAVE taken a lesson with Patricia “Trish” Demers and those that WISH they had taken a lesson with her (and those, like me, that have been evaluated by her for their Carriage Association of American Level 1 Driver Proficiency Program Level 1 and Road Driving – but that’s a story for a different day)

Trish Demers directs Kelly driving Bert

HUB Club members Kelly Chuman, Carolyn Sluiter, Linda Fidler, Jane Hemboldt, and Krista Ziec are the first kind, having taken a lesson with Trish on Sunday, August 12th after the HUB Club ADT “plus” on Saturday, as part of a two-day show/clinic weekend. If there was one theme throughout the sessions, it was **breathe**. Trish said that was HER personal takeaway from a recent Buck Brannaman clinic and it’s

made such a difference in her own driving and riding as well as in that of her students.

The technique as she explained it to each of the drivers that morning was:

- Roll your shoulders up, back, and down
- Let your elbows hang heavy
- Inhale deeply using your diaphragm (i.e. belly breath not a shallow chest breath)
- Now exhale and ask for your transition up or down!

Using this method, we watched each driver reconnect to their horse who then easily stepped forward into a crisp, lively trot or a smooth, balanced halt. All tension was released from both driver and horse allowing the energy to flow directly from the horse’s hind leg through the driver to the bit.

Trish helps Carolyn breathe into transitions

Once Trish had established the concept of forward into the contact, it was time for Concept #2: Straightness and Bending. She compared the horse to the cars of a train, explaining

that the first “car” moves (the head), then the second “car” moves (the neck), then the third “car” moves (the shoulders), and so on until finally the carriage itself (the caboose) moves. The purpose of this analogy was to show how all the cars of the train must be in alignment for it to stay on the track, and that if one car bulges, then the entire train derails and can’t move forward properly.

Trish shares the train analogy with Carolyn

Checking the length of everyone’s whip, including the lash, she emphasized that the driver must be able to reach the horse’s shoulder, in case that’s the “car” that has come out of alignment. Much of each lesson was Trish showing drivers how to recognize which part of their horse was bulging off the track – either to the inside or the outside – then guiding it back to where it should be.

Trish checks Carolyn’s horse for bulging to the inside in the corner

This was most challenging in corners, as turns require a greater degree of engagement from the inside hind leg of the horse but also more balance so as not to fall onto the inside shoulder or onto the outside shoulder. Recognizing this, Trish providing some

very straightforward advice on when to give the outside rein (to turn) and when to give the inside rein (to straighten after the turn) that produced some fluid corners and straight long sides!

Kelly and Bert negotiate a corner under Trish' watchful eye

With both longitudinal (over the top) and lateral (side-to-side) balance established, the turnouts were able to produce some lovely, round, "through" moments that all dressage drivers and riders seek.

Poj Kon M171 (Tiger) for

sale. Suitable for horse, warm blood or smaller draft. I used it five years with Molly: 1660 pounds and 17HH. Since then it has been in storage in KY, occasionally being pulled by Frisians. Deb shipped it back to me to sell for her. It has two sets of wheels, Bosch brakes and quick change hubs and is in good general condition and comes with spare brake pads. It weighs 529 with the shafts on, so safe for a strong horse, but Molly could really run with it. **Great stability for going fast. \$4700**

For sale:

shade of bottle or hunter green and the woodwork is light varnished wood. Its been used for a wedding supper, an HDT, a couple of Pleasure Driving classes and three club pleasure drives. I am asking \$2,600. Call me at 630-363-4619 with any questions. Grace Frejlach-Grubb

We bought this vehicle new and used it much less than anticipated—maybe 10 outings. It has a pole and shafts. I'm not sure of the weight but have driven it single with the off horse, a Belgian thoroughbred cross. The brake is in

the center of the floor so it can be driven easily from either traditional or traffic position and it rolls quite freely. It's well sprung and rides quite comfortably over uneven ground as well as roads. Pictures don't show the color well—the frame and gear are all a beautiful

For sale:

The gig is most suitable for a cob size horse/pony, however the horse shown in the picture is a 16.3 field hunter. It's royal blue with gold pinstripes and has natural oak wheels and shafts. The interior is black velvet and as comfortable as any loveseat. It has been used at Villa Louis, Iron Horse CDE as well as many pleasure drives and the Sharon WI lighted Christmas parade. I'm selling it for \$1800.

For sale:

I have a Sierakowski horse marathon for sale or trade for a pony marathon of equal quality/features. Located in McHenry, IL. We will be at Midwest Horse Fair in Madison, WI with carriage April 19th-22nd for clinic. Let me know if you want to see it there and bring what you have! Looking to trade my horse Sierakowski marathon for a lighter medium/large pony size. The Sierakowski is 185kg without shafts/pole. Has 5th wheel, front and rear brakes.

Comes with pair of shafts, team pole adaptor and extra set of wheels. (Hard and pneumatic.)

I am the second owner. Bought from gentleman who had it imported. Stored inside, no wrecks. Some flaked paint/rust on underside of carriage and on shafts where the shafts rest on the dash. Chrome of dash unharmed.

Measurements:

Telescoping shafts: 64"-82" (might be able to go longer, but I wanted to leave ample room for the bolts to grab)

Height to top of single tree: 26"

Height to top of wedge seat: 67"

Trade for medium pony marathon of equal value or for sale for \$6,500 can deliver within reasonable distance.

IN SEARCH OF:

Three Gaits Therapeutic Riding Facility in Stoughton WI is looking to add a driving horse/pony to their program. For obvious reasons the horse must be quiet and not easily flustered. Ideal candidates might be draft or draft crosses, Haflingers, fjords, or similar. Anyone having a candidate in mind please contact Dena Duncan at dena@3gates.org or call 608-877-9086

Need a cart for 34" mini. I am volunteering with a program called Veteran's R&R, a 501(c)(3) charitable organization in Illinois, helping a disable vet learn to drive a mini. I am hoping someone might have a mini cart they would be willing to donate to the program for the 100% charitable tax deduction. The mini is 34 inches tall. We wouldn't turn down a harness either. She has one but her headstall is too tight and the breeching straps are too short.
