Just A Reminder

We just wanted to take a couple of minutes and remind everyone that there is still some fun stuff going on in this next month.

The Big Shows

Villa Louis and the Indiana CDEs are both this month. If you aren't entered, I'm sure they would love some volunteers to help.

Driving at FVSA

Due to the excessive heat in July, FVSA has postponed their day of driving. It will now be October 19th. Before that thought, they will be having a day of driving games on Saturday September 28. This will be \$5.00 for FVSA members and \$15.00 for everyone else. Just some fun games and no real competition. More info on both will be on www.fvsa.org very shortly.

Pleasure Drive at Muirhead Springs

There will be a recreational drive at Muirhead Springs forest preserve on Sunday the 15th at 11:00 am. Please bring a beverage a salad to pass. Please send a text to Lonnie at 224-230-0092 if you are coming. It's a lovely pace to ride or drive.

DDC Drives

Dairyland still has several pleasure drives for the rest of the year. They have one on the 2nd, the 15th and the 29th. All the info including times and places and contact info can be found on their website. www.dairylanddriving.com

This is also the time of year that you should be putting your Drive On hours together, thinking about who should receive the volunteer award and be thinking about if now is the right time to serve in leadership for the Hub Club.

There will be attachments with this email so please check them out and get that Drive On stuff in early.
