**Prez' message:** Gotta love this weather! We

enjoyed a beautiful autumn day for our annual fall drive, kindly organized by Emily Berendt and generously provided by Nancy Jung on her private property which is part of the Bull Valley Riding Club trails. Then less than a week later wind chills are in the teens and we have our first snow of the season! Fortunately, all does not stop during

winter in the Midwest, as our Annual Meeting/Silent Auction/Awards Lunch is scheduled for Sunday January 4<sup>th</sup>, 2015. The details are still being worked out but hopefully it will be at the same location as last year, Jimmy's Charhouse in Elgin. Also stay tuned for more info on our Spring Clinic. As we go to press it's looking like Sara Schmitt, one of the first two weekends in May, at Theresa Adams's. But don't hold me to that, just keep an eye on your newsletter, the website, and our Facebook page. Yours Truly, **Dr. Lydia**

## SPARE WHEEL

Bishop, CA The campground (Brown's Town CG) had a little 'western town' with lots of 'stuff'. In the barn there was a reproduction stagecoach with really neat, heavy undercarriage and gear. But the REALLY neat find was 'spare wheels'. Yep, when you got a flat, I guess you pulled one of these out. It came in 2 sections and bolted together. I've NEVER seen one before, and they had two - one steel and one cast iron. I found this interesting and thought that others might too. They also had some runabouts, harness, and old farming wagons, a neat lumber wagon and implements. Patricia Demers

## *The National Drive*

Another National Drive has come and gone. We had so much fun, even with some wet weather. Special thanks to all who put this event together. This event is so well organized; The entertainment is wonderful; the variety of vendors, who specialize in driving is great (and I know how much work this is for the vendors as well!!). Such a fantastic opportunity to see friends, near and far - we had a fantastic time, as usual!! And I am also proud of my horse. The Drive is kind of our benchmark, as I recall the years and how much we have learned together. His first trip to the Drive where I only ground drove him, to today where he is competing at CDEs and is a reliable horse in harness and

under saddle. Thank-you all!!!

*The National Drive.....* For those who have not attended this event, you are missing out on a chance of a lifetime. Sami and I headed down to National Drive with Donna Crossman and Lilly in tow, to camp with Ann Katona, Ann McComb and Sue West. Camping with electricity is about \$36, making it affordable for small groups. The crock pot and liners produced the most amazing meals!!! We each took turns on providing a meal. Ann Katona provides Camp Cimarron, which is her trailer turned into great accommodations.....microwave included!!

Although the weather was sketchy while unloading.....ok unloading in one of the 4 tornado warnings that headed straight towards us.....the rest of the week was beautiful!!!! Wine came in handy while hiding in the bathroom!!! The men went to their facility, women, children and dogs in the women's side, and crazies...including Donna, outside watching it !!!

Several free Clinics were given thru out the week. Drivers had the opportunity to take lessons from several great professionals at a reasonable cost. We enjoyed a lesson from Sterling Graburn that gave great tips. I thought I had a nice mover, and a horse with potential.....now to get Sheri out of his way !!! Ann K had a great lesson with Sterling also. Temoc has really come into his own!!!

The donuts and coffee every morning were appreciated. The opportunity to spend time with driving friends from all over the country topped the list, a close second being able to drive thru the most beautiful grounds and well marked trails the you will ever see!!! The colors were changing making it spectacular. Playing in the water hazard made for some fun adventures.....Sami went in, but thought the giant ducks were Morgan eating mallards !!!!! Oh well.....he was great the rest of the time.

We enjoyed a nice trail ride with Ann/Tevis and Ann/Temoc. Donna was the only one with a lethal drive.....Road Kill Opie, joined the group.....thank you Ann K!

We got to see some real dressage riders/horses while they were feasting their eyes on the carriages.....ok they didn't have too much fun!!! Had to chuckle.....ok, had to not giggle too loud !! A fun end to our week was the Freestyle Dressage competition held at the arena!! Beautiful and inspirational!

Had a great week with great friends.....hopefully these fun memories will get us thru the Wisconsin winter.....ugh !! Anyone who has never attended should come on down, it is well worth the trip !!!!
